

SMOKE ALARMS SAVE LIVES!

Working smoke alarms can cut the risk of death from home fires in half. That's why we're rallying volunteers, fire departments and community partners to *Sound the Alarm*.

Together, we're installing **FREE** smoke alarms in your community.

We will be visiting **Cahokia, IL** on **October 14th**
FREE Smoke Alarm Installations
will be conducted
between 10:30 a.m. and 12:30 p.m.

(We install free smoke alarms throughout the year too! [Click here](#) to request the Red Cross to install alarms in your home and help make you and your families safer!)

**Do you want to volunteer to be a part of this amazing day
serving your community?**

If you would like to join us to help make homes safer – you can sign up to be a **Sound the Alarm Volunteer**. Click the following link to fill out this brief online form: [Sound the Alarm Volunteer Signup](#) – or email VolunteerMOAR@RedCross.org.
